

LONG ISLAND ICED TEA

WHAT YOU NEED

- 2 cup bar sours
- ½ cup rum
- ½ cup vodka
- ½ cup tequila
- ½ cup gin
- ½ cup triple sec
- splash orange juice
- coca-cola

WHAT TO DO

1. Mix the sours, liquors, and orange juice
2. Serve over ice, add splash of coke

NOTES

1. You don't need to buy top shelf liquor, but don't buy the cheapest either, there is a difference (believe me!)
2. If too strong, add coke

Makes 1 pitcher (4 cups)
